FOR IMMEDIATE RELEASE:

SYNERGY SOLUTIONS ADVANCED POLYMER CAR WASH CHEMICALS

NOW AVAILABLE IN CANADA

Barrie, Ontario, October 2, 2024 – Deltic Wash Force, a leading Canadian car wash distributor, has entered into a distribution agreement with Synergy Solutions based in Uniontown, Ohio. This partnership will provide Canadian car wash operators access to Synergy’s superior performing, safe, and industry proven products that hundreds of US operators are now enjoying. “Canadian car washes have historically used harsh and caustic chemicals”, said Brett Bunston, President of Deltic Wash Force. “We chose to bring Synergy Solutions to Canada as their products are extremely safe, easy to handle, and manufactured with cutting-edge, polymer-based technology.” Stephen Denissoff, President/Owner of Synergy Solutions commented, “We are excited to have partnered with Brett and his team at Deltic Wash Force. Their hands-on approach and customer-centric focus align perfectly with our values at Synergy. We’re confident they’ll become a major force in their market, and we look forward to growing together.”
